Dear Mr. Cuneo,

This package contains comment letters concerning the NSCARP FEIR from representatives of the Clean Water Coalition of Northern Sonoma County. Letters included are from Dr Fred Corson, Dr Richard Kagel, Don Mc Enhill, David Ring (2), Dr Swee Teh, Dr Howard Wilshire, and Gus Yates. It also contains copies of Johnson, N.M. Potential Water Supply Impacts to Dry Creek Valley from NSCARP and a Bypass Pipeline December 2008, Yates, G. NSCARP: Revised Versions of Nick Johnson's Water and Salt Balance Tables for Dry Creek Basin, March 2009, and the executive summary of the Biological Opinion, September 2008.

The enclosed CD contains electronic copies of ten key references cited in the letters:

CDHS, Groundwater Recharge Reuse Regulation, January 2007;

CHM2HILL, Hydrogeologic Evaluation for the Eastside Road Storage Project, technical Memorandum, Appendix E;

Jeane, Pam, Russian River Frost Protection Workshop, April, 2009;

Johnson, N.M. Potential Water Quality Impacts of NSCARP in the Alexander Valley funded by the SRNA and AVA, May 2007;

National Marine Fisheries Service, Biological Opinion, September, 2008;

Santa Rosa Discharge Compliance Project DEIR, Volume 6, TM I-3, March 2008;

Santa Rosa Discharge Compliance Project DEIR, Volume 6, TM I-5, March 2008;

Santa Rosa Discharge Compliance Project DEIR, Volume 3, Appendix G.3, March 2008;

Schlenk, D., Review of the City of Santa Rosa Discharge Compliance Project EIR, April, 2008;

Smith, Rhonda, Frost Protection Considerations, April 2009;

We submit these today in order to provide some time for review prior to the certification meeting on May 12, 2009.

Copies of the letters, Johnson 2008, Yates 2009, and Biological Opinion Executive Summary were also delivered to the Board of Supervisors and the County Counsel.

Sincerely,

Fred Corson
Chairman
